*****ZERO TOLERANCE POLICY WILL BE STRONGLY ENFORCED!!!!**

WELCOME TO EASTMOUNT PARK

Eastmount Park has a very successful softball program for children ages 4-18. As a continuation of this, we have decided to extend our program to include an adult slo-pitch league. Our goal is to create an environment where adults have a safe and enjoyable experience. We **strongly** enforce our zero tolerance policies. We will be having a meeting with each team prior to the beginning of the schedule; you will receive, at that time, your schedule and rules.
